CASE NO: C-65-11: Absinthe Court

SHREVEPORT DEVELOPMENT CORPORATION

LAND OWNER: Sam

APPLICANT:

LOCATION: SE corner of Ashley River Road and Absinthe Court

ZONING: B-1 to B-2

PROPOSED: Office, or other uses within this zoning classification

GENERAL INFORMATION:

The applicant is requesting approval to rezone this site from B-1 to B-2.

B-1 presently allows office use. A rezoning to B-2 would allow retail use of the property.

SITE PLAN CONSIDERATIONS:

• The site plan submitted, does not comply with ordinance standards.

- The setback requirement for a B-2 is 30 feet on the front and 15 feet on the rear; the site plan submitted shows a 15-foot front yard setback with the building at 29 feet and a rear yard setback of only 10 feet.
- Parking for these B-2 lots will be 1 space for every 200 square feet of the structure.
- Site plan approval that meets ordinance standards will be necessary on each lot prior to the issuance of any building permits.
- A variance with the Zoning Board of Appeals will be necessary if the applicant wants to have the 15-foot front yard & 10-foot rear yard as shown on the site plan.

PUBLIC'S ASSESSMENT

There was no opposition present.

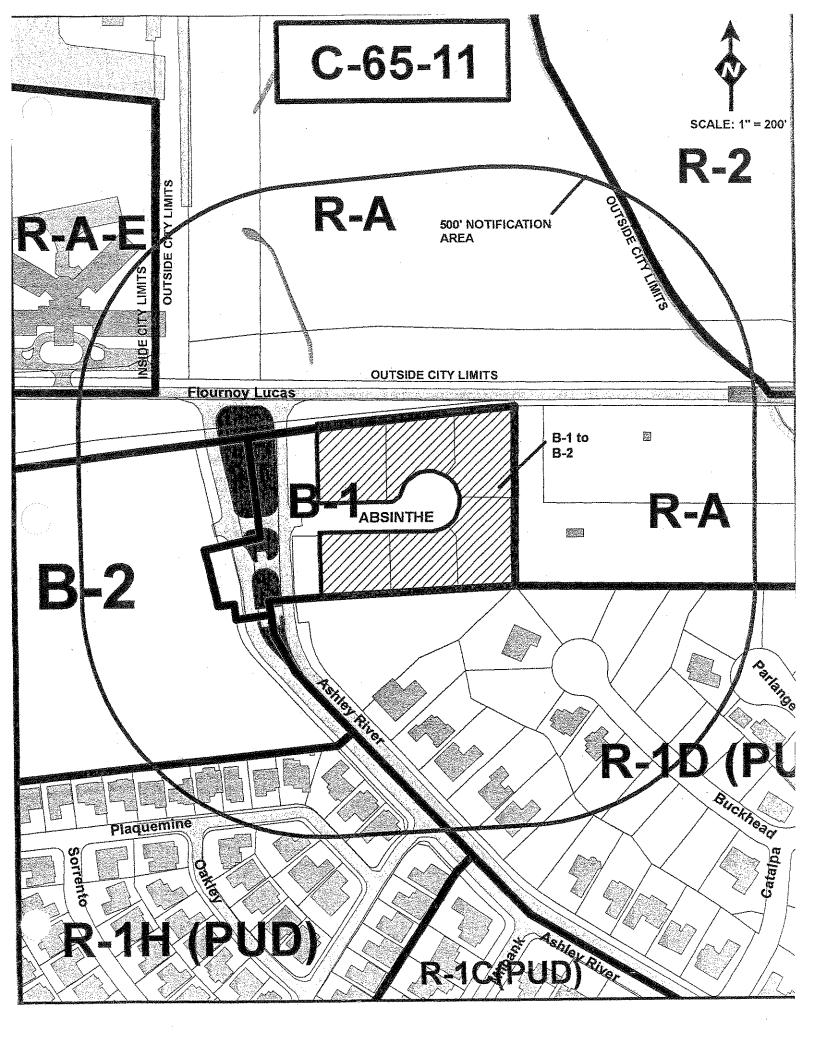

BOARD'S DECISION

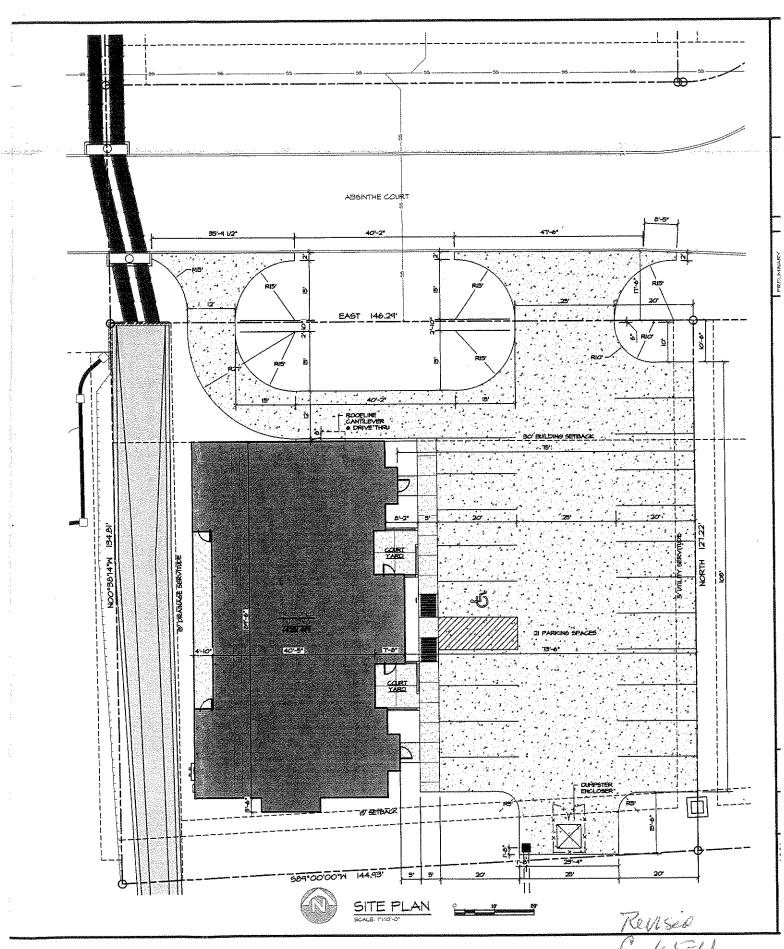

The Board voted 6-0 to recommend approval of the application subject to compliance with the following stipulation:

 Development shall be in accord with the revised site plan that was submitted at this public hearing. Any changes or additions to the approved plan shall require further review and approval by the Planning Commission. Site development plans for each lot shall be submitted to and approved by the Planning Commission prior to the issuance of any permits.

The information stated herein is the result of discussion by a staff review team. The Board members will use all information made available to them in making their decision.

A Planning Commission approval is a use approval only. The applicant is still responsible for complying with all other applicable Zoning Ordinance requirements and obtaining all necessary permits and approvals from other departments or agencies. This shall include, but not be limited to the requirements of the Zoning Administrator, building permits, liquor licenses, the parish health unit, and Certificates of Occupancy.
